FutureCare

World-Class Care, Close to Home

To ensure the success of Project FutureCare, the Overlake Foundation has committed to raising \$50 million (20 percent of the \$250 million cost) in community contributions. Overlake is a 501(c)3 nonprofit organization that relies on philanthropic support from the community we serve. Through the six-year fundraising campaign, generous donors are helping to build and expand Overlake's facilities to benefit the whole Eastside. To date, we have raised \$16 million.
